

# JOHN SMITH

FOR CAROLINAS DISTRICT SECRETARY-TREASURER

## Hello Carolinas District,

My name is John Smith and I am a Sophomore at the University of North Carolina at Chapel Hill. I am majoring in business with a minor in Spanish. I joined Circle K because I have a passion for service. This year, one of my favorite service projects through our club has been volunteering with the middle schools in the Chapel Hill area. Outside of Circle K I enjoy nature walks and playing with my dog. I am North Carolina Native. I enjoy watching movies, my go-to movies to watch are the Star Wars series. I also enjoying spending time on the water.

I am running for District Secretary-Treasurer because I see a need for an increase in communication and resources for club officers. I hope to be able to serve as your District Secretary-Treasurer and look forward to serving Circle K in any way possible in the next year.

Yours in Service,
